

Quantum Academy

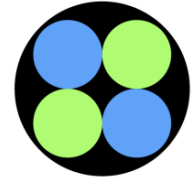

EEF Move It – Move It Stations

This slide was sent in June

Quantum had a few hiccups with this grant this year. While getting ready to purchase this equipment staff was asking how we were going to store the items so they weren't lost or stolen. We have no storage places left on this campus. So while we pondered the solution to this problem, the District spoke to us about eliminating 4th graders and adding more middle school students. If this were to come to fruition it would change some of the purchases in this grant, so we held off on implementing it. The status of this grant was on hold while we asked if we can get a shed to house the equipment. This process went through the district office, maintenance, as well as the state as we have to fill out a school modification form. This is taking time. We hope to have answers by the end of the school year. I do believe I put in my grant application that we would use the equipment next year. As soon as we know, we will proceed with the purchases. If EEF would like me to return the funds I can do that. We hope to have you out at the beginning of next school year to show off our new recess equipment.

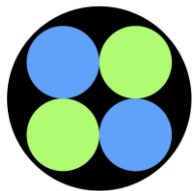

Quantum Academy

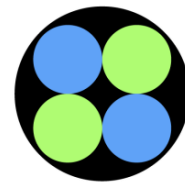

EEF Move It – Move It Stations

To respond to the concerns raised in the previous slide:

- The district office decided to leave our configuration alone. They told us this in May.
- Quantum was unable to get a shed as it has to go through multiple steps and must be attached to the ground and not plastic.
- Quantum had 2 students build a Gaga Ball pit for their Silver award in Girl Scouts and that was added to our playground. Gaga requires mats under it so students don't scrap knuckles and knees.
- Ms. Moretti (PE) cleaned out some space for us to use for some equipment.
- Students were introduced to Pickleball in PE and really enjoyed it so we added it pickleball nets to our list.
- We are test running a distribution process for the carts and other equipment.
- It is all still a work in progress as we see how the students respond and if any changes need to be made.

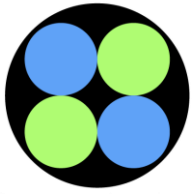

Quantum Academy

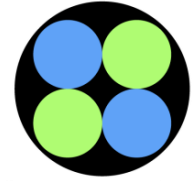

EEF Move It – Move It Stations

- 4 Extra Long Collapsible Wagon Carts
- 2 packs of Champion Sports Rhino Balls
