Escondido Education Foundation

Time for Caring Hearts

The **Escondido Education Foundation** annually honors individuals or organizations who **significantly support and enrich** the lives of students within the **Escondido Union School District** (EUSD).

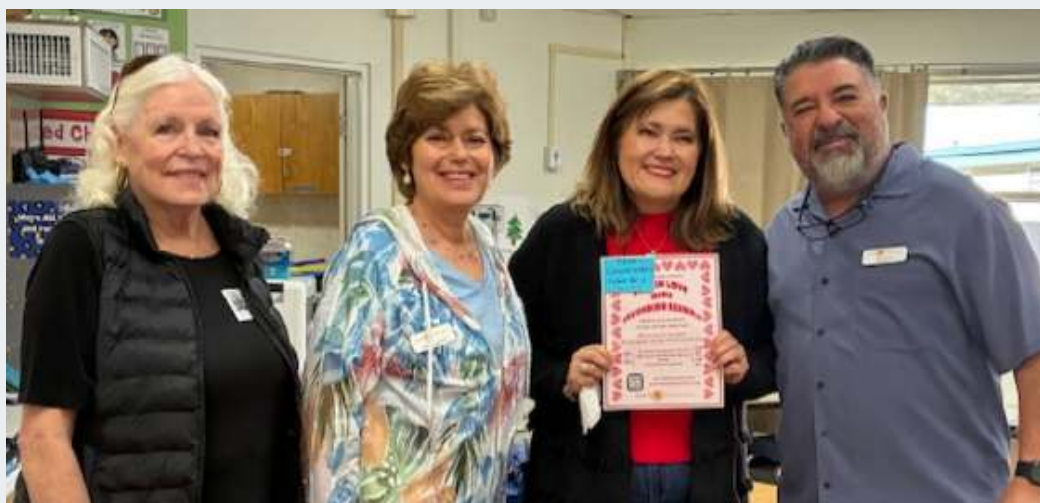

This year we had three honorees who were highly regarded by staff for being instrumental in enriching the lives of their students.

Our first honoree is Katie Maskiewicz, a Teacher on Special Assignment (TOSA) who works with newcomer students at Educational Services at the District Office.

Our second honoree is Cynthia Zeighami, a special education teacher who works with visually impaired students at Juniper and Lincoln elementary Schools.

Our third honoree will be announced on Thursday January 22nd, 2026!!!

Join us at the FILES event mentioned above to find out all about these phenomenal educators.

The Escondido Education Foundation is a community driven fundraising organization which provides funding for resources, and programs that empower educators, inspire learning, and promote innovation and academic excellence in EUSD.
