

One lesson we've learned after all these years:

The most valuable resource
is our kids.

The sun has warmed the Earth for more than 4 billion years. The Baker Family of Companies has touched 4 generations, since 1938. And Baker Electric Home Energy now wants you to help us apply the world's most powerful natural resource toward helping our most valuable one: **Our local children.**

When you begin to enjoy your new Baker Electric Home Energy home system, we will give you a Visa gift card for \$500, plus donate an additional \$1000 to the Escondido Education Foundation (EEF).*

Get a **\$500** Visa gift card
when you go solar with
Baker Electric Home Energy

We will donate **\$1000**
to the Escondido Education Foundation

Founded in 2004, the EEF is a superb non-profit organization that provides support to 23 public schools in Escondido. The money generated here stays here and does good here...just like the energy from the sun.
